**CANADIAN PACKAGED BREAD NATIONAL CLASS ACTIONS
SETTLEMENT AGREEMENT**

RECITALS

- A. WHEREAS the Actions were commenced in Quebec and Ontario for residents in all of Canada alleging that the Defendants, including the Settling Defendants, participated in an unlawful conspiracy in respect of the prices paid for Packaged Bread in Canada, starting as early as 2001, in violation of Part VI of the *Competition Act*, the civil law and/or the common law;
- B. AND WHEREAS the Quebec Action was authorized as a class proceeding and the Quebec Plaintiff was appointed representative plaintiff of the Quebec only class that was authorized by judgment rendered on December 19, 2019 (as rectified on April 22, 2020);
- C. AND WHEREAS pursuant to the judgment rendered on March 17, 2020, notice of authorization was given in the Quebec Action and the deadline for members of the class that was authorized to opt out of the Quebec Action has passed and there were five (5) Opt-Outs;
- D. AND WHEREAS the Ontario Action was certified as a class proceeding and the Ontario Plaintiffs were appointed representative plaintiffs of the class that was certified by order dated December 31, 2021;
- E. AND WHEREAS the Ontario Plaintiffs sought leave to appeal the definition of the class that was certified in the Ontario Action to seek to expand it to include purchasers of Packaged Bread that was manufactured by the Defendant bakeries but purchased through a chain of commerce that did not include the Defendant retailers, notice of certification has not yet been given to the class that was certified and the opt-out period in the Ontario Action has not yet begun to run;
- F. AND WHEREAS the Plaintiffs and the Settling Defendants, through counsel, engaged in extensive arm's-length settlement discussions, negotiations and mediations facilitated by the Honourable Geoffrey B. Morawetz, current Chief Justice of the Superior Court of Ontario, resulting in minutes of settlement dated July 24, 2024 (as amended on October

30, 2024, December 6 and 16, 2024, and January 9, 20 and 27, 2025) in the Actions relating to all of Canada;

- G. AND WHEREAS, as a result of these settlement discussions, negotiations, the mediations and minutes of settlement, the Plaintiffs and the Settling Defendants in the Actions have entered into this Settlement Agreement, which embodies all of the terms and conditions of the settlement between the Plaintiffs and the Settling Defendants, both individually and on behalf of the classes they represent and seek to represent, subject to approval of the Courts;
- H. AND WHEREAS the Plaintiffs and the Settling Defendants agree that neither this Settlement Agreement nor any statement made in the negotiation thereof shall be deemed or construed to be an admission of liability or obligation on the part of the Settling Defendants or evidence of the truth of any of the Plaintiffs' allegations against the Settling Defendants, and any liability is, in fact, denied;
- I. AND WHEREAS the Settling Defendants are entering into this Settlement Agreement in order to achieve a final nation-wide resolution of all claims in respect of Released Claims asserted or which could have been asserted against them by the Plaintiffs and the classes they represent and seek to represent in the Actions and to avoid further expense, inconvenience and the distraction of burdensome and protracted litigation;
- J. AND WHEREAS the Plaintiffs have reviewed and fully understand the terms of this Settlement Agreement and, based on their analyses of the facts and law applicable to the Plaintiffs' claims, and having regard to the burdens and expense in prosecuting the Actions, including the risks and uncertainties associated with trials and appeals, and having regard to the value of the Settlement Amount and the significant value of the cooperation the Settling Defendants have agreed to provide them, the Plaintiffs have each concluded that this Settlement Agreement is fair, reasonable and in the best interests of the Plaintiffs and the classes they represent and seek to represent;
- K. AND WHEREAS the Ontario Plaintiffs assert that they are adequate class representatives for the class they have been appointed to represent and the class that they seek to represent and will seek to be appointed representative plaintiffs in the Ontario Action for the Ontario Settlement Class for the purposes of settlement with the Ontario Settling Defendants;

- L. AND WHEREAS consistent with the minutes of settlement and for the purposes of settlement only, the Ontario Plaintiffs and the Ontario Settling Defendants now consent to an amended certification order in the Ontario Action and to the definition of the Ontario Settlement Class which includes purchasers of Packaged Bread that was manufactured by the Defendant bakeries but purchased through a chain of commerce that did not include the Defendant retailers solely for the purpose of implementing this Settlement Agreement in a coordinated and consistent manner contingent on approval by the Ontario Court as provided for in this Settlement Agreement despite having been unsuccessful in seeking leave to appeal the class definition that was certified, on the express understanding that such amended certification order shall not derogate from the respective rights of the Ontario Plaintiffs and the Ontario Settling Defendants in the event that this Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason;
- M. AND WHEREAS for the purposes of settlement only, the Quebec Plaintiff and the Quebec Settling Defendants now consent to a modified definition of the Quebec Settlement Class in the Quebec Action to extend it to include the period from December 20, 2019 to December 31, 2021, inclusive, against the Quebec Settling Defendants only and solely for the purpose of implementing this Settlement Agreement in a coordinated and consistent manner contingent on approval by the Quebec Court as provided for in this Settlement Agreement, on the express understanding that such modified definition shall not derogate from the respective rights of the Quebec Plaintiff and the Quebec Settling Defendants in the event that this Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason;
- N. AND WHEREAS the Parties therefore wish to, and hereby do, finally resolve on a national basis, without admission of liability, the Actions, and all of the claims, allegations, or demands that were, or could have been, advanced therein in respect of Packaged Bread, as against the Settling Defendants;

NOW THEREFORE, in consideration of the covenants, agreements and releases set forth herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, it is agreed by the Parties that the Ontario Action be settled and dismissed with prejudice as against the Ontario Settling Defendants and the Quebec Action be settled without reservation against the Quebec Settling Defendants, all without costs to the Plaintiffs, the classes

2.1 Best Efforts

- (1) The Parties shall use their best efforts to give effect to this settlement and to secure the prompt, complete and final approval and implementation of the Settlement Agreement, the final dismissal with prejudice of the Ontario Action as against the Ontario Settling Defendants and the settlement without reservation of the Quebec Action against the Quebec Settling Defendants.

2.2 Pre-Approval Motions

- (1) As soon as practicable after this Settlement Agreement is executed, the Plaintiffs shall bring motions before their respective Courts, for orders approving their respective Pre-Approval Order.
- (2) The Plaintiffs in each Action will provide the Settling Defendants in their Action all materials they intend to file in the applicable pre-approval motions in advance of filing and will provide those Settling Defendants the opportunity to review and comment on these materials. The Plaintiffs in each Action will reasonably consider any comments they receive from the Settling Defendants in their Action before finalizing and filing their materials.
- (3) The order sought in the Ontario Action shall be substantially in the form of the Ontario Pre-Approval Order attached hereto as Schedule "A" and the judgment sought in the Quebec

Action shall be substantially in the form of the Quebec Pre-Approval Order attached hereto as Schedule “B” or such form as shall reasonably be agreed to between Class Counsel and counsel for the Settling Defendants in their respective jurisdiction.

- (4) The Parties agree that the Ontario pre-approval motion shall seek amendment of the certification order in the Ontario Action as against the Ontario Settling Defendants solely for purposes of settlement of the Ontario Action and the approval of this Settlement Agreement by the Ontario Court and the only class that the Ontario Plaintiffs will assert is the Ontario Settlement Class and the only common issue that they will seek to define is the Common Issue.
- (5) The Parties agree that the Quebec pre-approval motion shall seek to modify the definition of the authorized class against the Quebec Settling Defendants only for the Quebec Settlement Class, solely for purposes of settlement of the Quebec Action and the approval of the Settlement Agreement by the Quebec Court and the only modification that they will seek is to include the period from December 20, 2019 to December 31, 2021, inclusive.
- (6) In the event this Settlement Agreement is not approved, is terminated in accordance with its terms or otherwise fails to take effect for any reason, the Parties agree that: (i) any amended certification of the Ontario Action for settlement purposes pursuant to this Settlement Agreement, including the definition of the Ontario Settlement Class and the statement of the Common Issue; and (ii) any modified definition of the class in the Quebec Action for the Quebec Settlement Class, including the period from December 20, 2019 to December 31, 2021, inclusive, shall be without prejudice to any position that any of the Parties may later take on any issue in the Actions or any other litigation, including class definition.

In the event that any such disclosure is required, the Party required to make such disclosure shall provide the other Parties with prompt prior written notice (to the extent practicable and permitted by law) of such requirement so that the other Parties may seek an appropriate protective order or other remedy at its sole cost and expense and, in any case, a Party may only disclose that portion of the information contained in this Settlement Agreement that is required to be disclosed in the circumstances.
- (2) Upon the date of execution of this Settlement Agreement, Class Counsel may disclose the existence and terms of this Settlement Agreement to the Courts and Non-Settling Defendants.

Class Counsel shall certify the destruction in writing to counsel for the Settling Defendants. Nothing contained in this section shall be construed to require Class Counsel to destroy or return any of their work product. However, any such work product may not be disclosed to any Person in any manner or used, directly or indirectly, by Class Counsel in any way for any reason, without the express prior written permission of the Settling Defendants. Class Counsel shall take appropriate steps and precautions to ensure and maintain the confidentiality of such work product;

The definitions and Schedules shall survive only for the limited purpose of the interpretation of the above referenced provisions. All other provisions of this Settlement Agreement and all other obligations pursuant to this Settlement Agreement shall cease immediately.

15.5 Material Terms

- (1) The Parties acknowledge that the terms of this Settlement Agreement set out in sections 15.1 to 15.4 shall be material terms of this Settlement Agreement and the failure of the Courts to approve any of these terms shall give rise to a right of termination pursuant to section 15.1(1) of this Settlement Agreement.

The Parties further agree that the language contained in or not contained in previous drafts of this Settlement Agreement, any agreement in principle, or the minutes of settlement shall have no bearing upon the proper interpretation of this Settlement Agreement.

16.13 Language

- (1) The Parties acknowledge that they have required and consented that this Settlement Agreement and all related documents be prepared in English; les Parties reconnaissent avoir exigé que la présente entente et tous les documents connexes soient rédigés en anglais. 1. **THIS COURT ORDERS** that, in addition to terms defined in this Order, the definitions set out in the Settlement Agreement apply to and are incorporated into this Order.
2. **THIS COURT ORDERS** that in the event of a conflict between this Order and the Settlement Agreement this Order shall prevail.
3. **THIS COURT ORDERS** that this Order, including the Settlement Agreement, is binding upon the Ontario Settling Defendants in accordance with the terms thereof, and upon each member of the Ontario Settlement Class that did not timely and validly opt out of the Ontario Action, including those Persons who are minors or mentally incapable, and the requirements of Rules 7.04(1) and 7.08(4) of the *Rules of Civil Procedure* are dispensed with in respect of the Ontario Action.
4. **THIS COURT ORDERS** that the Settlement Agreement is fair, reasonable and in the best interests of the Ontario Settlement Class.
5. **THIS COURT ORDERS** that the Settlement Agreement is hereby approved pursuant to section 29 of the *Class Proceedings Act, 1992* and shall be implemented and enforced in accordance with its terms and the terms of this Order.
6. **THIS COURT ORDERS** that, upon the Effective Date, subject to paragraph 7, each Releasing Party has released and shall be conclusively deemed to have fully, finally, and forever waived, released, relinquished and discharged the Released Parties from the Released Claims.
7. **THIS COURT ORDERS** that instead of releasing the Released Claims against the

Released Parties, upon the Effective Date, in accordance with section 8.2(1) of the Settlement Agreement, each Releasing Party resident in any province or territory where the release of one tortfeasor is a release of all tortfeasors covenants not to sue and undertakes not to make any claim in any way nor to threaten, commence, participate in, or continue any proceeding in any jurisdiction against the Released Parties in respect of the Released Claims, except for the continuation of the Ontario Action against the Non-Settling Defendants or named or unnamed co-conspirators who are not Released Parties. The use of the terms “Releasing Parties”, “Released Parties” and “Released Claims” in this Order is a matter of form only for consistency with the Settlement Agreement.

8. **THIS COURT ORDERS** that, upon the Effective Date, each Releasing Party shall not now or hereafter institute, continue, maintain, intervene in or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other Person, any proceeding, cause of action, claim or demand in respect of Released Claims against any Released Party, except for the continuation of the Ontario Action against the Non-Settling Defendants or named or unnamed co-conspirators who are not Released Parties.
9. **THIS COURT ORDERS** that, upon the Effective Date, each member of the Ontario Settlement Class shall be deemed to have consented to the dismissal as against the Released Parties of any Other Actions they have commenced in respect of Released Claims, without costs and with prejudice.
10. **THIS COURT ORDERS** that, upon the Effective Date, each Other Action commenced in Ontario by any member of the Ontario Settlement Class in respect of Released Claims shall be and is hereby dismissed against the Released Parties, without costs and with prejudice.
11. **THIS COURT ORDERS** that if this Court determines that there is a right of contribution and indemnity or other claim over, whether in equity or in law, by statute or otherwise:
 - (a) all claims for contribution, indemnity or other claims over, whether asserted, unasserted or asserted in a representative capacity, inclusive of interest, taxes and costs, in respect of the Released Claims which were made, or could reasonably have been made, in the Ontario Action, by any Non-Settling Defendant, any named

or unnamed co-conspirator and/or any other Person that is not a Released Party against a Released Party (with the exception of a claim that is made by an Opt-Out), or by a Released Party against any Non-Settling Defendant, any named or unnamed co-conspirator and/or any other Person that is not a Released Party are barred, prohibited and enjoined in accordance with the terms of this paragraph 11;

For greater certainty, the Ontario Plaintiffs and members of the Ontario Settlement Class shall be entitled to claim and recover on a joint and several basis as between the Non-Settling Defendants, any named or unnamed co-conspirators and/or any other Person that is not a Released Party, to the extent provided by law; and
- (d) this Court shall have full authority to determine the Proportionate Liability of the Released Parties at the trial or other disposition of this Ontario Action, whether or not the Released Parties appear at the trial or other disposition, and the Proportionate Liability of the Released Parties shall be determined as if the Released Parties are parties to this Ontario Action and any determination by this Court in respect of the Proportionate Liability of the Released Parties shall apply only in this Ontario Action and shall not be binding on the Released Parties in any

other proceedings.

12. **THIS COURT ORDERS** that if this Court ultimately determines that the Non-Settling Defendants in the Ontario Action would have the right to make claims for contribution and indemnity or other claims over, whether in equity or in law, by statute or otherwise, from or against the Released Parties in respect of the Released Claims, then nothing in this Order is intended to or shall limit, restrict or affect any arguments which the Non-Settling Defendants in the Ontario Action may make regarding the reduction of any assessment of damages (including punitive damages, if any), restitutionary award, disgorgement of profits or judgment against them in the Ontario Action or the rights of the Ontario Plaintiffs and the members of the Ontario Settlement Class to oppose or resist any such arguments, except as provided for in this Order.

13. **THIS COURT ORDERS** that a Non-Settling Defendant in the Ontario Action may, on motion to this Court, determined as if the Ontario Settling Defendants remained parties, brought on at least sixty (60) days' notice to counsel for the Ontario Settling Defendants, and not to be brought unless and until the Ontario Action has been certified against that Non-Settling Defendant and all appeals or times to appeal have been exhausted, seek orders for the following:

14. **THIS COURT ORDERS** that the Ontario Settling Defendants shall retain all rights to oppose any motion brought under paragraph 13 of this Order. Moreover, nothing herein restricts the Ontario Settling Defendants from seeking a protective order to maintain

confidentiality and protection of proprietary information in respect of documents to be produced and/or information obtained from discovery in accordance with paragraph 13, Notwithstanding any provision in this Order, on any motion brought pursuant to paragraph 13, the Court may make such orders as to costs and other terms as it considers appropriate.

15. **THIS COURT ORDERS** that a Non-Settling Defendant must effect service of the motion(s) referred to in paragraph 13 above in accordance with the applicable rules relating to service in the *Rules of Civil Procedure*.
16. **THIS COURT ORDERS** that to the extent that such an order is granted pursuant to paragraph 13 and discovery is provided to the Non-Settling Defendants, a copy of all discovery provided, whether oral or documentary in nature, shall be provided by the Ontario Settling Defendants to the Ontario Plaintiffs and Ontario Class Counsel without charge within twenty (20) days of such discovery being provided to the Ontario Non-Settling Defendants.

18. **THIS COURT ORDERS** that the requested Class Counsel Fees and Disbursements for Ontario Class Counsel be paid from the Settlement Amount, in accordance with the provisions of the Settlement Agreement.

23. **THIS COURT ORDERS** that on notice to the Court but without further order of the Court, the Settling Parties may agree to reasonable extensions of time to carry out any of the provisions of the Settlement Agreement.
24. **THIS COURT ORDERS** that, other than that which has been provided in the Settlement Agreement, and without limiting the Settling Defendants' obligations under the Settlement Agreement to pay the Settlement Payment and provide the cooperation required therein, no Released Party has any responsibility or liability whatsoever relating to the administration of the Settlement Agreement, Distribution Protocol, the claims process required by the Distribution Protocol, or the administration, investment or distribution of the Account.
25. **THIS COURT ORDERS** that the Ontario Plaintiffs shall have no responsibility for and no liability whatsoever with respect to the administration of the Settlement Agreement, the Distribution Protocol or the administration, investment or distribution of the Account.
26. **THIS COURT ORDERS** that this Order, including but not limited to the approval of the Settlement Agreement and any reasons given by the Ontario Court in connection with this Order, except any reasons given in connection with paragraphs 11 to 16 of this Order, if applicable, are without prejudice to the rights and defences of the Non-Settling Defendants in the Ontario Action and, without restricting the generality of the foregoing, may not be relied on by any Person to establish jurisdiction, the criteria for certification (including class definition) or the existence or elements of the causes of action asserted in the Ontario Action, as against the Non-Settling Defendants.

27. **THIS COURT ORDERS** that the approval of the Settlement Agreement is contingent upon a complementary Settlement Approval Order being made by the Quebec Court in the action commenced by James Govan filed in Quebec Court, Court File No. 500-06-000888-178 (Montreal), and the terms of this Order shall not be effective unless and until such order is approved by the Quebec Court. If such order is not secured in Quebec, this Order shall be null and void without prejudice to the rights of the Settling Parties to proceed with the Ontario Action and any agreement between the Settling Parties incorporated into this Order shall be deemed in any subsequent proceedings to have been made without prejudice.
28. **THIS COURT ORDERS AND DECLARES** that, in the event that the Settlement Agreement is terminated in accordance with its terms or otherwise fails to take effect for any reason, this Order shall be set aside and declared null and void and of no force or effect on subsequent motion made on notice to the Ontario Plaintiffs and any Person is estopped from asserting otherwise and notice of the termination of the Settlement Agreement and the setting aside of settlement certification shall be given to the Ontario Settlement Class upon such Order becoming a Final Order.

Schedule “E1”

Ontario Pre-Approval Notice - Longform

LEGAL NOTICE AUTHORIZED BY THE SUPERIOR COURT OF JUSTICE FOR ONTARIO

PACKAGED BREAD CLASS ACTION SETTLEMENT – NOTICE TO INDIVIDUALS AND BUSINESSES
RESIDENT ANYWHERE IN CANADA EXCEPT QUEBEC

If you purchased Packaged Bread anywhere in Canada except Quebec between January 1, 2001 and December 31, 2021, your legal rights could be affected.

Class actions have been certified/authorized in Ontario and Quebec on behalf of all Persons in Canada alleging that the defendant bread producers and retailers participated in an unlawful conspiracy regarding the price of Packaged Bread sold in Canada.

Packaged Bread means any and all packaged bread products and bread alternatives produced or distributed by any of the current or future defendants to the actions, including bagged bread, buns, rolls, bagels, naan, English muffins, wraps, pita and tortillas, but not bread frozen when sold and bread baked on-site in the establishment where it is retailed.

THE LOBLAW/WESTON SETTLEMENT

A settlement agreement has been reached for all of Canada with: Loblaw Companies Limited, Loblaws Inc., George Weston Limited, Weston Foods (Canada) Inc., Weston Bakeries Limited, and Weston Food Distribution Inc. (collectively, “**Loblaw/Weston**”). The Loblaw/Weston defendants are the first to enter into a settlement of the class actions. The class actions will continue against the non-settling defendants: Canada Bread Company, Limited, Sobeys Inc., Sobeys Quebec Inc., Sobeys Capital Incorporated, Metro Inc., Wal-Mart Canada Corp. and Giant Tiger Stores Limited.

Loblaw/Weston has agreed to pay CAD **\$500 million** (\$96 million of which has already been paid through the Loblaw Card Program) for the benefit of settlement class members across Canada and to provide co-operation to the plaintiffs in pursuing their claims in the continuing actions against the non-settling defendants. In exchange, settlement class members will give Loblaw/Weston a full release of

the claims against them in the class actions in relation to Packaged Bread. The settlement is not an admission by Loblaw/Weston of liability, fault, or wrongdoing, but is a compromise of disputed claims.

SETTLEMENT APPROVAL HEARINGS

The Loblaw/Weston settlement must be approved by the Courts in Ontario and Quebec before it can become effective. At the Settlement Approval Hearings, the Courts will determine whether the settlement is fair, reasonable, and in the best interests of the settlement class members.

The Courts will also be asked to approve a distribution protocol and a claims process governing the payment of the net settlement monies (after deduction of court-approved lawyers’ fees and disbursements, administration expenses, funder entitlements, an ongoing litigation holdback and all applicable taxes) to and for the benefit of settlement class members. If the settlement is approved by the Courts, 78% of the settlement monies will be allocated to the Ontario class action and 22% to the Quebec class action.

The Settlement Approval Hearing for the Ontario class action is to take place at the Superior Court of Justice for Ontario on ●, 2025 at ● am at [insert or by judicial videoconference].

At the Ontario Settlement Approval Hearing, the lawyers working on the Ontario class action will also be requesting court approval of lawyers’ fees of [insert], plus disbursements and applicable taxes. The Ontario Court will decide the amount the lawyers will be paid out of the settlement monies.

If the Loblaw/Weston settlement is approved by the

Courts, a further legal notice will be provided outlining next steps.

THE ONTARIO CLASS ACTION

The class previously certified for the ongoing Ontario class action is: All Persons residing in Canada except Quebec as of December 31, 2021, other than Excluded Persons, who between November 1, 2001 and December 31, 2021, inclusive, purchased, either directly or indirectly, Packaged Bread manufactured and produced by a defendant producer that was sold by a defendant retailer (the “**Ontario Class**”).

For the purposes of the Loblaw/Weston settlement, the Ontario Class was expanded to include purchasers of Packaged Bread manufactured by a defendant bakery but purchased from someone other than a defendant retailer. The definition of the Loblaw/Weston settlement class for the Ontario Action is: All Persons resident anywhere in Canada except Quebec as of December 31, 2021, other than Excluded Persons, who between January 1, 2001 and December 31, 2021, inclusive, purchased Packaged Bread, either directly or indirectly, produced or distributed by a defendant (the “**Ontario Settlement Class**”).

The term “**Persons**” used in the definitions above includes individuals and corporations, partnerships, associations and other types of businesses and the term “**Excluded Persons**” used in the definitions above means Persons who opt out of the Ontario class action and the defendants and other related parties.

If you are a potential member of the Ontario Settlement Class and you wish to participate in the Loblaw/Weston settlement, you do not need to do anything at this time.

If you do not opt out now, you will be bound by the Loblaw/Weston settlement if it is approved by the Court, your claims against Loblaw/Weston will be released and you will lose any right you have to begin or continue your own action against Loblaw/Weston, but you may be entitled to make a claim for money from the Loblaw/Weston settlement as provided in the distribution protocol.

OPTING OUT OF THE ONTARIO CLASS ACTION

If you are a potential member of the Ontario Settlement Class and you do not want to participate in the Loblaw/Weston settlement, you must opt out now. By opting out, you will not be able to make a claim for money from the Loblaw/Weston settlement, but you will maintain any right you have to begin or continue your own action against Loblaw/Weston.

Quebec Pre-approval Notice – Longform

IF YOU BOUGHT PACKAGED BREAD IN CANADA BETWEEN JANUARY 1, 2001 AND DECEMBER 31, 2021 YOU MAY HAVE RIGHTS IN NATIONAL CLASS ACTION LAWSUITS

What’s This About?

Class actions have been authorized by the Quebec Court and certified by the Ontario Court on behalf of all residents in Canada alleging that certain manufacturers and retailers of Packaged Bread engaged in anticompetitive conduct resulting in overcharges for Packaged Bread sold in Canada.

Packaged Bread means any and all packaged bread products and bread alternatives produced or distributed by any of the current or future Defendants to the Actions, including but not limited to bagged bread, buns, rolls, bagels, naan bread, English muffins, wraps, pita and tortillas, but excluding bread frozen when sold and bread baked on-site in the establishment where it is retailed.

The Courts have not yet made any decision on the merits of the claim or the defences in either of the Actions.

Some parties have entered into a national settlement in both the Quebec and Ontario actions.

The Quebec Plaintiff and the Quebec Settling Defendants, Loblaw Companies Limited, Loblaws Inc., George Weston Limited, Weston Foods (Canada) Inc., Weston Bakeries Limited, and Weston Food Distribution Inc. (collectively “**Loblaw/Weston**”), will be asking the Court to approve the settlement, the details of which are set out below, pertaining to their alleged role in the facts alleged in the Actions.

The Actions will continue against the Non-Settling Defendants: Canada Bread

Company, Limited, Sobeys Inc., Sobeys Quebec Inc., Sobeys Capital Incorporated, Metro Inc., Wal-Mart Canada Corp. and Giant Tiger Stores Limited.

Who Is Concerned?

On December 19, 2019 (as rectified on April 22, 2022), the Quebec Court, in file number 500-06-000888-178, authorized the Quebec Plaintiff to institute the Quebec Action on behalf of the following class:

“All persons, partnerships and associations resident in Québec who purchased at least one package of bread in between January 1st, 2001 and December 19, 2019;

The word “bread” in the class description means: *“bread products and bread alternatives, produced or retailed by any of the Defendants, excluding bread frozen when sold and bread baked on-site in the establishment where it is retailed.”*

On [date], the Quebec Court authorized the extension of this class period to December 31, 2021, for settlement purposes and against the Quebec Settling Defendants only.

What does the Settlement Provide?

A national settlement has been reached to resolve the Actions against Loblaw/Weston, subject to approval of the Courts, for **\$500 million** (\$96 million of which has already been paid through the Loblaw Card Program) and Loblaw/Weston’s cooperation in prosecuting the Actions against the remaining Non-Settling Defendants, in exchange for a full release of all Released Claims against Loblaw/Weston and a dismissal of the Actions against them.

This settlement is not an admission by Loblaw/Weston of liability, fault, or wrongdoing, but is a compromise of disputed claims. The Courts will be asked to approve a claims distribution process governing how the Settlement Funds will be distributed to Settlement Class Members. If the settlement is approved, 78% of the Settlement Funds will be allocated to the Ontario Action and 22% to the Quebec Action.

When are the Settlement Approval Hearings?

Hearings to decide on approval of the settlement will be heard by both the Quebec Court and the Ontario Court.

The hearing in the Quebec Court is on [date] at the Montreal Court House, at 1 Notre-Dame E., Montreal, QC, H2Y 1B6 or by Teams.

The approval of the settlement in Quebec is contingent upon the approval of same in Ontario.

The Courts will also be asked to approve class counsel fees, administration expenses and funder entitlements payable from the Settlement Amount.

Who Pays Class Counsel?

The Plaintiffs entered into contingency agreements with Class Counsel in each Action. To this end, Plaintiffs are asking the Courts to approve the aggregate payment of [insert \$] for fees plus applicable taxes and [insert \$] for reimbursement of disbursements incurred to prosecute the Actions.

What Do I Need To Do If I Want To Be Included?

If you are a member of the Quebec Settlement Class, **you do not need to do anything to be included in the settlement.**

As a member of the Quebec Settlement Class, you:

- a) will be bound by the terms of the settlement, the administration protocol and the distribution protocol if approved by the Courts;
- b) may make a claim to share in the money to be paid to Settlement Class Members through a claims process that will be run at a time to be determined by the courts.;
- c) will give up your rights to take your own personal action against Loblaw/Weston;
- d) will be able to object to the Settlement or comment on it.

Members of the Quebec Settlement Class who did not already opt out from the Quebec Action (except for those who purchased Packaged Bread between December 20, 2019 to December 31, 2021, who can opt out as described below) will be bound by the terms of the settlement and the distribution protocol if they are approved by the Courts and will release Loblaw/Weston from the Released Claims.

What Do I Need To Do If I Don't Want To Be Bound?

If you are a Quebec resident and you purchased Packaged Bread between January 1, 2001 and December 19, 2019, **you may no longer opt-out as the deadline for doing so has passed.**

If you are a Quebec resident and purchased Packaged Bread only between December 20, 2019 and December 31, 2021 and you do not want to be a member of the Quebec Settlement Class who is legally bound by the Quebec Action, you must exclude yourself by submitting a request to the Settlement Administrator by [Insert]. Go to [Insert website] to obtain information on how to opt out of the Quebec Action.

If you exclude yourself from the Quebec

Action by the Opt-Out Filing Deadline, you will:

- a) retain any rights you have to bring your own lawsuit or continue any lawsuit you have already brought at your own expense against Loblaw/Weston;
- b) not be able to collect any money that will ultimately be paid as a result of these Actions and will not be able to object to this Settlement Agreement or comment on it.

A member of the Quebec Settlement Class may seek authorization from the Quebec Court to intervene if the intervention is considered helpful to the Quebec Settlement Class. A member who intervenes may be required to submit to a deposition. A member of the Quebec Settlement Class other than the Quebec Plaintiff or an Intervenor may not be required to pay the legal costs arising from the Action.

What If I Have Objections To The Settlement or Comments On It?

If you wish to comment on or object to the settlement, the distribution protocol or the fees being sought by class counsel, you must

do so in writing so it is received by the Settlement Administrator by [Insert]. Go to [Insert website] to obtain information on how to object to the Settlement Agreement. Written objections received by the Objection Filing Deadline will be provided to the Courts.

If the Courts approve the settlement, members of the Quebec Settlement Class who objected to it will nonetheless be bound by its terms unless they have opted-out of the Quebec Action as described in this Notice.

You can object to the settlement or comment on it without a lawyer. If you wish to be represented by a lawyer, you may hire one at your own expense.

 - f) Consumers will be required to provide the following in respect of their Consumer Claim: (i) such information and/or documentation as may be required by the Settlement Administrator appointed in the applicable Action; and (ii) a confirmation that the information and/or documentation that they have submitted is true and correct and that they are not making any claim to which they are not entitled.
10. The Settlement Administrator appointed by the Court in the applicable Action shall determine whether or not each Consumer Claim is approved based upon the provisions of this Distribution Protocol and the information and/or documentation submitted by the Consumer.
11. The Settlement Administrator shall notify Consumers if their Consumer Claim is identified as being supported by insufficient proof or lacking other required information. The Consumer shall have twenty (20) days from the date of such notice to remedy the issue(s). If the issue(s) is not corrected within the twenty (20) day period, the Settlement Administrator shall reject the Consumer Claim.
12. The Settlement Administrator shall process claims in a reasonable and cost-efficient manner. Any dispute regarding an assessment by the Settlement Administrator of the admissibility and validity of a Consumer Claim shall be referred to the Settlement Administrator for reassessment, and the Settlement Administrator's decision on the said reassessment shall be final. Prior to making a determination, the Settlement Administrator may consult with Class Counsel to resolve any questions or uncertainties relating to such determinations.

13. Compensation payable for approved Consumer Claims shall be calculated by the Settlement Administrator appointed in the applicable Action from the portion of the Settlement Funds allocated to the Consumer Fund in that Action as follows:
- a) Following its evaluation of Consumer Claims, the Settlement Administrator shall calculate the total amount required to pay initial compensation of \$25.00 (or such lesser amount on a *pro rata* basis against the funds available in the Consumer Fund) for each approved Consumer Claim that was not compensated as part of the Loblaw Card Program;
 - b) If there are monies remaining in the Consumer Fund after the Settlement Administrator has determined the total amount required to cover the \$25.00 initial compensation amount for all approved Consumer Claims not compensated as part of the Loblaw Card Program, the Settlement Administrator will calculate on a *pro rata* basis as against the amount remaining in the Consumer Fund an amount of supplemental compensation payable for all approved Consumer Claims (both those that were compensated and those that were not compensated under the Loblaw Card Program);
 - c) If the supplemental compensation calculated for approved Consumer Claims compensated as part of the Loblaw Card Program amounts to less than \$5.00, no payment will be made. Any amounts remaining in the Consumer Fund as a result of this provision will be reallocated *pro rata* to the approved Consumer Claims not compensated as part of the Loblaw Card Program prior to distribution; and
 - d) Where both Initial and supplemental compensation is payable for an approved Consumer Claim under the provisions of this paragraph 13, the compensation will be combined and paid as a single Interac e-transfer or cheque.
14. As soon as practicable after the calculation of the compensation for approved Consumer Claims is completed and prior to its distribution, the Settlement Administrator in each Action shall report to Class Counsel in the Action regarding the proposed distribution of compensation. Upon receipt of the Settlement Administrator's report, Class Counsel in the applicable Action shall forthwith take such steps as they determine may be required pursuant to the provisions of the Distribution Protocol to finalize payment of the compensation for approved Claims including, if necessary, an application to the applicable Court.
15. As soon as practicable after the proposed distribution for Consumer Claims is approved for distribution by Class Counsel in the applicable Action, the Settlement Administrator shall requisition the funds required from the Trustee and upon their receipt forthwith pay out the compensation in accordance with the approved distribution.

16. Approved Consumer Claims in each Action will be paid by Interac e-transfer through email or, if elected by the Consumer, by cheque. Where a Consumer elects to be paid by cheque, \$2.00 will be deducted from the compensation payable to reflect the additional cost of providing a cheque.
17. Subject to the sole discretion of the Settlement Administrator in the applicable Action, payments will not be reissued after their expiry (thirty (30) days for Interac e-transfer and six (6) months for a cheque). Where a Consumer requests that an e-transfer or cheque be reissued, \$10.00 may be deducted from the compensation payable to reflect the cost of reissuing the payment.
18. There shall be no right of appeal in respect of Consumer Claims.

Residual Discretion for the Management of the Consumer Distribution

19. Notwithstanding the foregoing, if, during the claims process or after it is concluded and once compensation has been calculated in accordance with this Distribution Protocol, Class Counsel in either Action has concerns the claims process and/or Distribution Protocol requires modification, they may move to the applicable Court for approval of a reasonable modification to this Distribution Protocol or for further directions with respect to the distribution of the Consumer Fund in the applicable Action.
20. In arriving at a determination that an unjust result may be occurring or that a modification is required or recommended, Class Counsel in the applicable Action shall seek a consensus among themselves failing which they may move to the applicable Court for a determination of any such issue.

Residual Distribution of the Consumer Funds, if Any

21. If any Settlement Funds allocated to the Consumer Fund in either Action remain after distribution has been made in accordance with the provisions of this Distribution Protocol (as modified, if applicable), the Fonds d'aide aux actions collectives shall receive the share of that balance in the Quebec Action to which it is entitled by law, if any, and the balance remaining in each Action shall be paid by the Settlement Administrator in that Action *cy-près* to a registered charity or not-for-profit organization (or charities and/or not-for-profit organizations) connected to addressing food security in Canada (including, but not limited to, food banks and/or school food programs), selected by Class Counsel in the Action and approved by the Court for that Action.

Schedule “H”

Protocol for Production of Electronically Stored Information (“ESI”)

1.1. ESI Production Format

The Parties will produce ESI in:

- a. Original digital format, unless unavailable.
- b. A format that they will discuss and agree upon, for data typically not readable by common eDiscovery software. The Parties will discuss how this information shall be produced in the event it is specifically requested by a party and is relevant and proportional to an issue in dispute.
- c. Where the ESI contains information that has been redacted, as TIFF images converted directly from the original digital format, with searchable text.¹

1.2. Encrypted or Password Protected Files

The Parties will produce a list of potentially relevant encrypted documents that they were unable to decrypt and password protected files for which passwords cannot be found, along with the metadata set out in Appendix “A”. The Parties reserve their rights to request that further work be performed to unencrypt or remove password protection on specific files.

1.3. Short Message/Collaboration Tools

ESI from short messaging and collaboration tools will be processed into Relativity Short Message Format, with the following fields provided:

- a. RSMF -BeginDate
- b. RSMF -EndDate
- c. RSMF- Participants

1.4. Numbering

Documents shall be given Production Numbers in accordance with the following rules:

- a. The Settling Defendants shall use the prefix of LWON.
- b. Documents shall be numbered sequentially using zero-padded numbers that will not be dependent on the number of pages in prior documents. For example, the first document listed by a party would be LWON000001 and the second would be LWON000002.

¹ The Parties acknowledge that production of redacted images of relevant ESI does not affect their obligations to preserve the underlying ESI in its original, unredacted form.

- c. Pages shall be numbered sequentially, using a dash to separate page numbers from document numbers. For example, the second page in a party's third document would be LWON000003-002.
- d. Pages need not be numbered for documents produced in native format.

1.5. Hard Copy or Paper Documents

Hard copy or paper documents will only be produced to the extent that corresponding ESI in its original digital format is unavailable, or if the hard copy has been modified in some relevant way (e.g. with handwritten notes or other edits).

The Parties agree that the following information will be provided for hard copy documents:

- a. Date;
- b. Title;
- c. Custodian;
- d. Author*;
- e. Recipient*.

*Note: Objective coding beyond items (a) – (c) above will only be undertaken if reasonable to do so, based on volume.

1.6. Imaging Standards

Where ESI is produced in Image format, the ESI will be produced as single page black and white TIFF images with a resolution of 300 dpi (dots per inch).

Where the color of a file materially affects its meaning or legibility, it will be imaged to colour JPEG format in 300 dpi, or provided in original digital format or near-original digital format that renders colour accurately.

1.7. Branding (Endorsement of Each Image)

Where ESI is produced in Image format, the Parties agree to permanently burn in or brand each image with its corresponding Production Number in the bottom right corner of the image.

1.8. Redaction of Images

ESI may be redacted. Documents will be redacted on TIFF or JPEG image, where applicable, using black masking so that the redaction is noticeable.

Where images have been redacted, the fact of the redaction and the reason that it was made will be indicated in the Electronic Schedule A that accompanies the production.

1.9. Non-Image Redaction

Where redaction on TIFF or JPEG image is not appropriate, ESI may be redacted in its original digital format. The Parties agree that Microsoft Excel files will be redacted and exchanged in original digital format.

The Parties will ensure that the reason for the redactions is discernible either on the face of the document or otherwise, as required (e.g. “Privilege – Solicitor-Client”, “Personal Information”, etc.).

1.10. Inadvertent Disclosure of Privileged Information

The Parties agree that inadvertent disclosure of privileged information as part of the exchange of ESI under this protocol does not waive the privilege, provided the Parties use reasonable, good-faith efforts to exclude privileged documents from their productions.

To the extent a party becomes aware that privileged information has been inadvertently disclosed, they will immediately inform the disclosing party and delete or otherwise destroy the document or documents containing the privileged information, as well as any notes, copies, or other work product arising from those documents.

To avoid inadvertent disclosure of privileged information in redacted documents, the Parties will ensure that all redactions are burned into the corresponding Image and that the extracted text provided with the Image will be generated from the redacted version of the Image, and will not include the redacted, privileged information.

1.11. Searchable Full Text

To facilitate full text searching the Parties agree to exchange extracted full text from all ESI. The extracted text will not be manually edited or enhanced in any way.

1.12. Extracted Text for Redacted ESI

Redacted extracted text based on OCR of redacted images will be provided for any redacted ESI.

1.13. Text Precedence

Extracted text will be provided based on the following text precedence:

- a. Redacted extracted text, where applicable;
- b. Extracted text as generated by the processing software; then
- c. OCR text if extracted text was not generated during processing.

1.14. Container Files

Container files such as RAR, ZIP, PST, etc. will not be produced. Their contents will be extracted and enumerated. If the existence of a container file is relevant to the matter such that the container should be produced, the Parties may use a placeholder “parent” document and produce the contents of the container file as the children of that placeholder.

1.15. Standards for Listing and Describing Electronic Information in the Electronic Schedule A

The Parties agree that all metadata set out in Appendix “A” will be produced for each document for which it is available.

1.16. File Format for Schedule A

The format for the ASCII or Unicode text file containing the electronic Schedule A records is Comma Separated Values (“CSV”).

Entries for each field will be delimited by a comma, and entries for records are separated by a new line (carriage return <CR>8). Entry contents will be enclosed in quotation marks where necessary to ensure that commas embedded in the content of a field are not interpreted as a delimiter. Multiple entries in a field are delimited by a semi-colon.

1.17. Header Record for Schedule A

The first row (record) in the Schedule A file will contain the name of each field, to facilitate the loading process.

For additional formatting information and a list of the required metadata that must accompany the production, please refer to Appendix “A” Delivery of Production

1.18. Delivery of Production

The production will be provided through email using a password protected sharefile link, a secure cloud storage sharing site or external storage media device, volume dependent.

1.19. Production Deadline

The productions will be delivered/uploaded by [*insert date*]. If there is anything that would prevent the Parties from delivery by this date, the Parties will advise as soon as they become aware.

1.20. Compression and Encryption of Productions

- a. The productions shall be provided in compressed, encrypted form (i.e. in password-protected Zip files, on BitLocker-encrypted physical media, etc.).
- b. The productions shall be encrypted with a strong password.

1.21. No Waiver

Nothing in this Protocol for Production of ESI requires the production of documents or information over which the Settling Defendants claim privilege. The parties agree that the Settling Defendants will not be required to comply with any obligation set out herein that would create a waiver or breach of any privilege.
