3. On July 17, 2024, the Public Health Agency of Canada provided an update and issued a public health notice regarding the outbreak of Listeria infections, including 9 hospitalizations and 2 deaths, Applicant disclosing **Exhibit P-2**;
4. On July 17, 2024, Defendant Danone Inc. ("**Danone**") issued a public statement in which its president, Frédéric Guichard, stated "*Food safety, quality, and the health of our consumers are, and will always be, at the core of everything we do*", Applicant disclosing **Exhibit P-3**. Clearly, Danone failed to live up to this standard with respect to Class members;
5. Defendant Wal-Mart Canada Corp. ("**Wal-Mart**") simply posted a hyperlink on its website to the Public Health Agency of Canada website, as it appears from **Exhibit P-4**;

II. THE PARTIES

6. Defendant Danone Inc. operates in the "industrie du lait de consommation" and "fabrication et distribution de produits laitiers", with its head office in the province of Quebec, the whole as appears from the *CIDREQ* report, **Exhibit P-5** (Danone also confirms its head offices are in Quebec in Exhibit P-3);
7. Applicant discloses the *CIDREQ* report for Defendant Wal-Mart Canada Corp. as **Exhibit P-6**. The "Great Value" line is one of Wal-Mart's retail brands;
8. The Applicant is a consumer who has been purchasing plant based refrigerated beverages, including those recalled by Public Health Agency of Canada, for several years;

III. CONDITIONS REQUIRED TO AUTHORIZE THIS CLASS ACTION (s. 575 C.C.P.):

A) THE FACTS ALLEGED APPEAR TO JUSTIFY THE CONCLUSIONS SOUGHT:

9. Applicant purchased a variety the following recalled products on a weekly or bi-weekly basis from the IGA in Côte St-Luc:
 - Silk Almond unsweetened;
 - Silk Almond unsweetened vanilla;
 - Silk Oat unsweetened;
 - Silk Oat vanilla unsweetened;
 - Silk Almond & cashew unsweetened;
 - Silk Almond & cashew unsweetened vanilla.

10. Applicant's legal syllogism is notably based on sections 37, 38 and 53 of the CPA and article 1469 and 1473 of the Civil Code of Québec;
11. Obviously, Applicant would have never purchased these products had she been aware of the health risks;
12. Given that Applicant and her family (including children) have already consumed the recalled products, it is impossible for her to return them to IGA for a refund, because she does not have the product/cartons and did not keep her receipts;
13. On July 18, 2024, the Applicant tried to complete an online request for refunds for the above listed recalled products that she purchased, but the Defendant's form required her to provide a picture of the carton, which the Applicant does not have, as it appears from Danone's refund form disclosed as **Exhibit P-7**;
14. The reason why the Applicant does not have the cartons is because her recycling bin was picked up on Tuesday, July 16, 2024 and her garbage bin was picked up on Wednesday, July 17, 2024;
15. On July 18, 2024, the Applicant went to the IGA where she purchased the recalled beverages from to ask for a refund. The clerk escalated the situation by calling in a manager, and the manager then escalated to a director, but IGA ultimately refused to refund her because she did not have a receipt or the cartons;
16. Offering refunds for products that have been consumed and cartons that have been disposed of is a completely inadequate refund program; Applicant believes that following discovery it will be proven that the Defendants issued very few refunds, if any at all, as many Class members are in a similar situation;
17. Applicant hereby claims compensatory, moral and punitive damages, as well as damages from trouble and inconvenience, on her behalf and on behalf of all Class members, pursuant to the Civil Code, the *Consumer Protection Act*, the Quebec Charter and the Common Law (for Class members residing outside of Quebec);
18. The Applicant's damages are a direct and proximate result of the Defendants' omissions, breaches and negligence, as well as the inadequacy of their "refund" programs;

B) THE CLAIMS OF THE MEMBERS OF THE CLASS RAISE IDENTICAL, SIMILAR OR RELATED ISSUES OF LAW OR FACT:

19. All Class members have a common interest in proving the Defendants' liability;
20. Each Class member is also justified in claiming damages and punitive damages against the Defendants;
21. All of the damages to the Class members are a direct and proximate result of the Defendants' misconduct;

22. Individual questions, if any, pale by comparison to the common questions that are significant to the outcome of the present Application;
23. **The recourses of the Class members raise identical, similar or related questions of fact or law, namely:**
 - a) Are the recalled Silk and Great Value brand plant based refrigerated beverages affected by a safety risk?
 - b) Are the recalled Silk and Great Value brand plant based refrigerated beverages fit for the purposes for which goods of that kind are ordinarily used?
 - c) Is the Defendants' responsibility engaged in view of the *Consumer Protection Act*, the Civil Code of Quebec, the Quebec *Charter*, or the Common Law (for Class members residing outside of Quebec)?
 - d) Were the Defendants negligent in the management of the recall programs?
 - e) If the Defendants' responsibility is engaged, are Class members entitled to compensatory, moral or punitive damages, or damages for trouble and inconvenience, and win what amounts?

C) THE COMPOSITION OF THE CLASS

24. The composition of the Class makes it difficult or impracticable to apply the rules for mandates to take part in judicial proceedings on behalf of others or for consolidation of proceedings;
25. Applicant estimates that tens of thousands of the various recalled Silk and Great Value brand plant based refrigerated beverages were sold across Canada, if not more;
26. Class members are very numerous and are dispersed across the province and Canada;
27. These facts demonstrate that it would be impossible to contact each and every Class member to obtain mandates and to join them in one action;
28. In these circumstances, a class action is the only appropriate procedure for all of the members of the Class to effectively pursue their respective rights and have access to justice without overburdening the court system;

D) THE CLASS MEMBER REQUESTING TO BE APPOINTED AS REPRESENTATIVE PLAINTIFF IS IN A POSITION TO PROPERLY REPRESENT THE CLASS MEMBERS

29. The Applicant requests that she be appointed the status of representative plaintiff

for the following main reasons:

- a) she is a member of the Class and has a personal interest in seeking the conclusions proposed herein;
- b) she is competent, in that he has the potential to be the mandatary of the action if it had proceeded under article 91 of the *Code of Civil Procedure*;
- c) her interests are not antagonistic to those of other Class members;

30. Additionally, the Applicant respectfully adds that:

- a) she has the time, energy, will and determination to assume all the responsibilities incumbent upon her in order to diligently carry out the action;
- b) after learning about the situation, she mandated her attorneys to file the present application for the sole purpose of having her rights, as well as the rights of other Class members, recognized and protected so that they can be adequately compensated;
- c) she understands the nature of the action; and
- d) she wants to hold the Defendants accountable so that they put measures in place for the future so that such serious safety issues do not repeat themselves, especially for a staple product such as milk that entire families – including young children – consume.

31. As for identifying other Class members, the Applicant draws certain inferences from the situation and realizes that by all accounts, there is a very significant number of Class members that find themselves in an identical situation, and that it would not be useful to attempt to identify each of them given their sheer numbers;

32. For the above reasons, the Applicant respectfully submits that her interest and competence are such that the present class action could proceed fairly and in the best interest of Class members;

IV. NATURE OF THE ACTION AND CONCLUSIONS SOUGHT

33. The action that the Applicant wishes to institute on behalf of the members of the Class is an action in damages;

34. The conclusions that the Applicant wishes to introduce by way of an originating application are:

GRANT the Representative Plaintiff's action against the Defendants on behalf of all Class Members;

CONDEMN the Defendants to pay compensatory, moral and punitive damages,

and damages for trouble and inconvenience, to the Representative Plaintiff and the Class members in amounts to be determined on the merits;

ORDER the collective recovery of all damages to the Class members;

CONDEMN the Defendants to pay interest and the additional indemnity on the above sums according to law from the date of service of the *Application to Authorize a Class Action*;

ORDER the Defendants to deposit in the office of this Court the totality of the sums which forms part of the collective recovery, with interest and costs;

ORDER that the claims of individual Class members be the object of collective liquidation if the proof permits and alternately, by individual liquidation;

CONDEMN the Defendants to bear the costs of the present action at all levels, including the cost of all exhibits, notices, the cost of management of claims and the costs of experts, if any, including the costs of experts required to establish the amount of the collective recovery orders.

35. The interests of justice favour that this Application be granted in accordance with its conclusions;

V. JURISDICTION AND NATIONAL CLASS

36. The Applicant requests that this class action be exercised before the Superior Court in the district of Montreal. This Court has jurisdiction to authorize a national class action pursuant to article 3148(1) CCQ.

FOR THESE REASONS, MAY IT PLEASE THE COURT:

1. **GRANT** the present application;
2. **AUTHORIZE** the bringing of a class action in the form of an originating application in damages;
3. **APPOINT** the Applicant the status of Representative Plaintiff of the persons included in the Class herein described as:

(hereinafter referred to as the “ Class ”)	Groupe: Toutes les personnes au Canada ont acheté les diverses boissons végétales réfrigérées de marque Silk et Great Value rappelé en raison de la bactérie <i>Listeria monocytogenes</i> . (ci-après le « Groupe »)
---	---

4. **IDENTIFY** the principle questions of fact and law to be treated collectively as the following:
 - a) Are the recalled Silk and Great Value brand plant based refrigerated beverages affected by a safety risk?
 - b) Are the recalled Silk and Great Value brand plant based refrigerated beverages fit for the purposes for which goods of that kind are ordinarily used?
 - c) Is the Defendants' responsibility engaged in view of the Consumer Protection Act, the Civil Code of Quebec, the Quebec Charter, or the Common Law (for Class members residing outside of Quebec)?
 - d) Were the Defendants negligent in the management of the recall programs?
 - e) If the Defendants' responsibility is engaged, are Class members entitled to compensatory, moral or punitive damages, or damages for trouble and inconvenience, and win what amounts?

5. **IDENTIFY** the conclusions sought by the class action to be instituted as being the following:
 - a) **GRANT** the Representative Plaintiff's action against the Defendants on behalf of all Class Members;
 - b) **CONDEMN** the Defendants to pay compensatory, moral and punitive damages, and damages for trouble and inconvenience, to the Representative Plaintiff and the Class members in amounts to be determined on the merits;
 - c) **ORDER** the collective recovery of all damages to the Class members;
 - d) **CONDEMN** the Defendants to pay interest and the additional indemnity on the above sums according to law from the date of service of the Application to Authorize a Class Action;
 - e) **ORDER** the Defendants to deposit in the office of this Court the totality of the sums which forms part of the collective recovery, with interest and costs;
 - f) **ORDER** that the claims of individual Class members be the object of collective liquidation if the proof permits and alternately, by individual liquidation;
 - g) **CONDEMN** the Defendants to bear the costs of the present action at all levels, including the cost of all exhibits, notices, the cost of management of claims and the costs of experts, if any, including the costs of experts

required to establish the amount of the collective recovery orders.

6. **ORDER** the publication of a notice to the Class Members in accordance with article 579 C.C.P., pursuant to a further order of the Court, and **ORDER** the Defendants to pay for said publication costs;
7. **FIX** the delay of exclusion at thirty (30) days from the date of the publication of the notice to the members, date upon which the members of the Class that have not exercised their means of exclusion will be bound by any judgement to be rendered herein;
